Inquire Inspire Impact

2020-2021 Positions Vacant

At NIS we are passionate about our mission – and we seek teachers and administrators who share that passion. We want our students to puzzle, wonder and question the world around them, to choose to contribute to their communities and to articulate and follow their dreams. This is encapsulated in our school motto – Inquire, Inspire, Impact. It sounds ambitious, and it is - but we think it is important, and if you do too, we want to hear from you!

Job Title: Primary School PYP Internship

Interns at NIS will join a collaborative, supportive and ambitious team looking to make learning ever more connected, relevant and meaningful. Through an Internship at NIS we hope to assist you in developing your personal goals while knowing that you will enrich our community and add value to professional learning and student learning here at NIS.

A Primary School PYP internship involves:

- (i) **Working alongside the classroom teacher to support the delivery of the curriculum.** This will include working with individuals and small groups and, if mutually agreed, may include the opportunity for full class teaching. This role will also involve assisting the teacher with the routines of the job – e.g. preparing resources, marking, etc.
- (ii) **Responsibility to support any specific learning or language needs for identified students in your classroom.** Students are identified as needing specific support through our student referral process and part of your role will be to ensure that the needs of these students are met

A spirit of collaboration, stamina, drive, a sense of humour, a passion for kids, a positive disposition and a love of professional learning are all key ingredients to the teacher toolkit at NIS. If this sounds like you – we want to hear from you! NIS provides a salary of ¥2m plus shared housing, flights and co-pay medical insurance.
